Out of State Tax Credit: Maryland residents are allowed a credit against the Maryland state and local income tax for income taxes paid to another state on net income that is properly subject to taxation in the other state, when the other state provides no credit to Maryland residents. The credit reduces the tax payable by Maryland residents by the portion of the amount of the income tax paid to the other state. The revenue of the subdivisions is affected by the local Out of State credit.

Business Tax Credit: Individuals are allowed credits against the Maryland income tax as claimed on Form 500CR from a sole proprietorship or pass-through entity. For a complete description of available credits, please refer to the Form 500CR and its instructions.

Earned Income Tax Credit: Individuals are allowed a credit against the Maryland income tax for half the federal earned income credit, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit, as there is also a local portion of the earned income tax credit. For low income individuals, a portion of the State earned income credit may be refundable.

Poverty Level Tax Credit: Certain individuals with incomes below the poverty level are allowed a credit against the Maryland income tax for a percentage of certain earned income, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit as there is also a local poverty level credit. The credit cannot exceed the applicable tax liability and may not be refunded.

Child and Dependent Care Tax Credit: Individuals are allowed a credit against the Maryland income tax of 32.5% of the federal child and dependent care credit claimed. The credit is phased out when federal adjusted gross income is above certain limitations. The credit cannot exceed the State tax liability and may not be refunded.

Quality Teacher Incentive Tax Credit: Individuals who are employed by and teach in the public school system of a County or Baltimore City are allowed a credit of up to \$1,500 of the unreimbursed cost of graduate level courses required to maintain certification. The credit cannot exceed the State liability and may not be refunded.

Venison Donation – Feed the Hungry Organizations Tax Credit: Individuals who hunt and harvest an antlerless deer in compliance with State hunting laws and regulations, and donate the processed meat to a venison donation program administered by a qualified tax exempt organization, may claim a credit against their State personal income tax for up to \$50 of qualified expenses to butcher and process an antlerless deer for human consumption. The total amount of the credits may not exceed \$200 in any taxable year unless the individual harvested each deer in accordance with a deer management permit. Any unused portion of the qualified expenses may not be carried over to another taxable year.

Community Investment Tax Credit: Individuals who contribute to a nonprofit organization approved by the Department of Housing and Community Development (DHCD) may be eligible for a tax credit against Maryland State income tax. Taxpayers must apply and receive approval from DHCD to claim this credit. The credit is limited to 50% of the approved contributions, not to exceed \$250,000.
